### 2017/2018 VISION GOALS

Our vision goal as we now journey through our 12<sup>th</sup> year of Ministry is to increase our corporate passion for Prayer and Discipleship while strengthening our families (especially our marriages) and community partnerships. For just as Jesus declared (Matthew 9:37-38) to His disciples that "The harvest is plentiful, but the workers are few," we must seek God for the workers (blockers, catchers, runners and managers of the vision) that will help us (with a clean heart and a righteous spirit) rebuild broken walls in people's lives.
